

Inviting Prescription

Submitted by Tom & Katie Watson and Fr. Rudy Oborny

Attached is an Inviting Prescription that is being used in Section 9.
These are the instructions on how to use it:

"Print out the Inviting Prescription and place in a prominent place in your home. Share it with your couples. Begin with one or two of the elements, but begin! Trust in God's power and Our Mother's blessing. Good things start with prayer and trust. We have only to be faithful. **We believe in you!**"
