

Detroit Area Issues Inviting Challenge

Gene & Maggie Tokraks & Fr. John Dickie

We received this from a couple in the Detroit area.

"Is anyone's community doing a fun inviting challenge? We did a pulpit challenge last year (sharing group that arranged the most pulpit talks had a special dinner prepared for them). The next 6 months we are giving a special basket to the sharing group that brings the most people to the Weekend. Any other challenges out there?"

What are your areas doing? Please share with us.
