Dear Friends of WWME,

As the end of 2005 approaches and Worldwide Marriage Encounter (WWME) prepares to begin its 38th year in service to our Church, we would like to take this opportunity to remind couples, priests and religious across the United States that Worldwide Marriage Encounter – USA, Inc. is a non-profit corporation, certified by the Internal Revenue Service as a 501(c)(3) organization. This means that any donation given to WWME outside the Weekend is tax deductible. We know many people make end-of-the-year donations to charitable organizations for many worthwhile purposes and we would like you to consider including **WWME** as one of the worthy recipients of your donations.

This year has been a challenge for many involved in WWME, especially those communities ravaged by hurricanes throughout the Southeastern United States. We are very proud of the love and generosity offered by you and many others in WWME to support the families affected by these storms. Many dedicated couples and priests associated with Worldwide Marriage Encounter continue to stand as lighthouses providing beacons of much needed light for our troubled society. Our movement continues to offer hope to couples and priests seeking more intimate and satisfying relationships. We introduce them to the joy of living God's desire for their sacrament and we offer support for faith-filled family life. Please help us to continue our WWME mission to renew the Church and change the world -- one sacrament at a time!

We continue to meet couples and priests all across the country who are very generous with their time, talent and treasure in support of Worldwide Marriage Encounter and this ministry is blessed by their service. And if you would like to extend this generosity, we respectfully ask that you consider including a donation to WWME of \$25, \$50 or more

If you would like to make a tax deductible charitable contribution, we have attached a page that provides several methods you can use to help us reach our Year-End fund raising goal of \$19,000. You can also indicate how you would like your financial gift distributed within WWME (National, Section and/or Local Use). We appreciate any amount you may wish to donate toward helping the WWME movement achieve its mission.

With love and gratitude,

Bob & Joy Hernandez and Msgr. Chuck Kosanke
