

# Prayers Lifted for the eMatrimony Petitions

By Mary Beth Peterson

Dear Karen & Jack,

For some reason I began to look at eMatrimony tonight. I will always treasure the journey I walked with ME family. The ways of the world seem to affect us more than we choose but God continues to shed light and lead the way.

I am lifting the prayers of several tonight after reading the prayer intentions. I hope that all ME couples and priests know how far reaching those prayers are. You are doing a magnificent job with the eMatrimony efforts. I remember the time so well.

I pray that you are both well and that your family is experiencing peace as this year comes to a close....

With love and prayers,  
Mary Beth
