

# Congratulations on Four Years

By Paul & Lynne Japp

Dear Editors,

Congratulations on four years of service! I went to eMatrimony last week to find a presentation idea. It is great that all past articles are archived there. My only suggestion is that you date the articles. It is difficult to tell when they were published. Just a month and year would be great. I like receiving the newsletter by e-mail and reading it at my leisure. You have been very faithful about publishing it regularly. We appreciate all you do!

Love & Prayers,
