

Dear Huli and Fr. Mark:

Dear Lee, Jan and Fr. Rich:

We from the Latin American Secretariat, its Three Zones and 19 Countries want to congratulate the USA Secretariat for completing 35 years of active Marriage Encounter living, sharing and dialoguing.

Our roots belong to your country and we believe that, practically every Latin American Country is represented in the World Wide Marriage Encounter Family of the United States. So in a way these immigrants from the past now Americans are our representatives at the Convention.

We just want to say to you at this Convention what Fr. Chuck Gallagher repeated many times in a weekend in his writings and talks:
ENJOY.

May God blessed us all!
Coco, Mamuca and Fr. Pedro
