

Dearest Jan & Lee,

Please convey very warm congratulations and best wishes from all encountered couples and priests in Fiji, Solomons, Australia and New Zealand too all attendees at your Convention to celebrate 35 years of Worldwide Marriage Encounter in USA.

We in our Pacific part of the world are indebted to the wonderful dreamers who with enthusiasm, love, courage, dedication and commitment changed the world in those very early days and continued to invite over and over again. We remembered with much joy and gratitude the couples and priests who first brought WWME to the Pacific Region, when we celebrated 25 years of WWME in New Zealand just a couple of weeks ago.

We are extremely grateful and feel very humbled by the amazing generosity of American couples and priests who continue to so generously gift to support Marriage Encounter in Oceania. May you all be blessed abundantly. You are fondly remembered in our prayers.

All our fondest love,
Christine & David Sloan and Father John Rate,
Pacific Secretariat Team
