

## Selection of New WWME U.S. Secretariat Team

Bob & Joy Hernandez and Msgr. Chuck Kosanke

Today in Houston Texas, the Holy Spirit graced the Selection Process with openness and wisdom as the US Board selected our New US Secretariat Team. We are very pleased to announce that our new leaders are Tony & Cathy Witzcak (Section 3) and Fr. Emile Frische (Section 2). They are a dynamic team and our movement is in excellent hands for the next three years.

Tony & Cathy experienced their weekend in 1978 and have 4 grown children. Prior to their selection today, they have served as the U.S. Community Pillar Coordinators for the past two years. Tony is an Organizer/Thinker and Cathy is an Organizer/Helper. Tony has a good sense of humor, excellent interpersonal skills, deep wisdom and immense knowledge of our movement. Cathy is very dedicated and committed to WWME, patient, a great listener and she also speaks Spanish and French. They also announced they have finalized their plans to retire in June, 2007.

Fr. Emile was ordained in 1970 and made his weekend in 1998. He is a Mill Hill Missionary priest and grew up in New Zealand. He is an Organizer and has served as part of the Section 2 Ecclesial Team (along with Mike & Mary Gibbons) for the past three years. Fr. Emile is compassionate, soft-spoken, has a great sense of humor and works incredibly well with every one.

WWME is blessed to welcome this well-matched team as our new leaders.

We know you will include them in your prayers and welcome them warmly as our new U.S. Secretariat Ecclesial Team.
