

# Southwest Florida Annual Spring Fling 2007

By Paul & Linda Mostek

We are from Southwest Florida, an Area in Section 5. Each spring, many of our WWME families gather for our annual picnic and auction. It is a family event with games for kids and adults alike. We have a group barbecue and pot luck dishes. Most families bring a poster describing something they are donating for the auction such as an Italian dinner, a weekend at a beach house, a mystery dinner, a boat ride with lunch or picnic, a pool party with cook out, etc. Most events are for two to three families plus the host. Not only do the events raise money, but they also help build our community as we get to have fun and know each other better.
