Dear Friends,

We published the first *eMatrimony* News Flash September 7, 2003. With the exception of the News Flash scheduled for September 19, 2007 we have provided a News Flash every three weeks. I (Jack) have enjoyed this challenge and the opportunity to serve the WWME Family as the editor for *eMatrimony*.

My work load has nearly doubled in the past two months and the chance of this slowing down is not in the near future. I am faced with a choice between my time commitment to our Local Area and Section or my time commitment to *eMatrimony*. After months of prayer and discussion with Karen and our National Leaders, Tony & Cathy Witczak and Fr. Emile Frische, we have decided it is time to step aside as the editors of *eMatrimony*. We have been told *eMatrimony* will continue with a new format soon to be unveiled, so I will continue, as time allows, to send articles and archive materials from the old *Matrimony* and *Spirit* magazines to *eMatrimony* but I do not have the energy or time to continue as the editor.

I want to express extreme gratitude to Ralph & Jane Becker who worked with us to develop *eMatrimony* and who have been a constant source of encouragement and dedicated loyal web masters. Without their help and expertise *eMatrimony* might still be just a dream. Thank you Ralph & Jane you are wonderful!
