

This is a story that recently aired on Aug 7, 2003; KSDK Channel 5 news in St Louis. Fr. Terry Donovan is a loving and giving M.E. priest that presents many of the Weekends in our area. He is the team priest for the Belleville Diocese in Illinois but since we are without a team priest in the Springfield Diocese in Illinois, he has reached out to us and we have formed a very special relationship with him. He is very dedicated to the Marriage Encounter Movement. He is a very caring and humble "Hand of God" and we just wanted everyone to know how special and loved he is. This is a link to "[Fr.
