

# New Resources on the WWME Electronic Resource Library (ERL)

Jose & Marilyn Garcia and Father Mark Willenbring

Dear Lovers,

We wanted to let everyone know that new documents have been posted to the Community Pillar section of the Electronic Resource Library at <http://erl.wwme.org/cp>.

1. Under the Areas tab, <http://erl.wwme.org/cp/Areas/>, there are ten new Weekend Reunion outlines posted. Each of these provides focus on different items so as to help tailor the Weekend Reunion to topics of interest. One of the outlines is in Spanish.
2. Under the Circles tab, <http://erl.wwme.org/cp/Circles/>, there is a new Love Spiral posted entitled Rekindle the Flame. This is a three evening spiral to help new Circles get started, or to help established Circles get renewed.
3. Under the Parish tab, <http://erl.wwme.org/cp/Parish/>, there is a new document helping us all answer the Call to be an Open and Apostolic Couple, so as to help our WWME mission statement to renew the Church and change the world.

We hope that you will look through these documents, and we hope they are of benefit to your Communities. If you have any questions or comments, please let us know. And if you have items of benefit to WWME Communities throughout the US, please do not hesitate to share them with us by emailing to [link@wwme.org](mailto:link@wwme.org).

Love, and God's Blessings,

Jose & Marilyn Garcia and Father Mark Willenbring
