

Community Pillar Electronic Resource Library (ERL) Map

By Jose & Marilyn Garcia, and Father Mark Willenbring

Dear Brothers and Sisters in Christ,

We have received many questions about our Encounter Resource Library (ERL), and this note is to help you access this great resource.

ERL contains many documents, presentations, brochures, and resources helpful to you and to your local WWME Communities. We have attached to this note a MAP INDEX of all the current files for the Community Pillar so that you can see at a glance all that is currently available. Spanish documents are shown in italics. (*Documentos en Espanol estan en letra cursiva.*)

To access ERL please click on this link, erl.wwme.org, or enter the words into your internet browser. When the site appears, you will have to enter your email id into the block after the third paragraph and click "I agree" and you will be entered into the website. That's it!

To access a Community Pillar document, click on "Community Pillar," then click on what main topic you want to review. For example, if you want to review the Handbook for Prayer Couples, you would click on "Community Pillar," then click on "Prayer Couples," then click on "CP4006.doc" and a copy of the document will appear using your MS Word application. You can then print or store the document. If you want to just store the document into your computer without viewing it first, you can right-mouse-click "CP4006.doc" and then left click the "Save Link As" and tell the computer in which location you want to save this file.

If you have any questions, please let us know.

Y si quieren esta informacion en ESPANOL, por favor nos lo dice.

God's blessings to all,
Jose & Marilyn Garcia, and Father Mark Willenbring
